Wichita, KS 67212  
May 5, 2022

Dear Pathway Church Neighbor:

In the next couple of weeks, we'll be requesting a zoning change to our property through the City of Wichita Planning Commission. The reason we're doing that is because we want to sell a portion of our excess property that we're not using. We've secured a local buyer who is going to build twin homes on the most northwest portion of our property (see map). In addition, if this zoning is approved and the sale goes through, the buyer will have an option to purchase the larger plot of excess property in the southwest corner (see map) to build an additional group of twin homes.

As a close neighbor, we want to invite you to attend a meeting of neighbors on Thursday, May 12th at 7pm at Pathway Church Westlink campus. We will be meeting in the room just to the left of the atrium from the main doors on the Maize Road entrance. We'll have some refreshments and have an opportunity for you to see elevation drawings as well as hear about the development plan for the twin homes. You'll be able to ask questions and share your concerns with this plan.

We believe that developing these twin homes is a great way to use this excess land that we have on our property. We look forward to having you join us at the meeting on Thursday, May 12th at 7:00pm!

Please don't hesitate to contact me if you have questions.
